

Hello,

Thank you for coming to Unmatched brought to you by Levity Theatre. I am one of the performers in the show, I am about 5' 8" with blonde hair, I am wearing a black t-shirt and blue jeans and black and white sneakers. On the stage behind me is a freestanding black screen towards the back of the stage on your left that stays in that position throughout the show. In the centre of the stage there is a small round coral red table and two brown chairs, these pieces get moved around the stage throughout the show. Towards the front of the stage on your right there is a microphone stand with a mic, you will hear my voice through the mic and also like this throughout the show.

There are a few moments during this show with flashing lights and loud sudden music. This is also a comedy so there may be outbursts of laughter. If at any point in this show you feel uncomfortable, overwhelmed or like you need to take a break please feel free to leave the theatre with absolutely no judgement. You can take some time in the lobby out front and come back in when or if you are feeling up to it, again no judgement.

I also want to mention that there are moments in the show where I may call upon you or ask you a question. If you don't want to interact with me that is absolutely fine, just cross your arms in front of you like an X (demonstrate) and I will move onto another person, again no judgement at all.

Thank you so much for coming and we hope you enjoy the show!
